Chapter 11 Case # 08-35653

The Debtor and the last four digits of their taxpayer identification numbers are as follows: Circuit City Stores, Inc. (3875)

BACKROUND

November 7, 2008, Circuit City Corp Office notified me of the notice of reduction of work force.

My position at that time was Technician Direct Representative (Non-Contract) in the Firedog Division. My job was to assist Circuit City television repair technicians in locating and ordering parts needed to repair the customer's units throughout the United States.

At the time of the lay off, Circuit City provided me the Reduction in Force Letter, Exhibit 1.

The notice stated my employment with Circuit City will end on January 9, 2009 or a date within 14 days thereafter which may be provided to me by Circuit City. This is to be permanent with no bumping rights for other positions with Circuit City.

Even though I am still currently an employee, I have not been permitted back to Circuit City to perform any job related duties.

The letter stated that payment was under the Worker Adjustment and Retraining Notification ACT ("WARN") (29 U.S.C. Sections 2101 et seq.)

Case 08-35653-KRH Doc 1327 Filed 12/24/08 Entered 12/30/08 09:26:21 Desc Main Under the WARN act, Circuit City is Document laid Page 2 of 19

employees for 60 days. The checks are to include any wages and earned benefit pay. (vacation pay etc.)

In this case, the earned vacation pay is also known as, PTO (Paid Time Off) hours. These hours can be used for vacation, sick days or other time off request.

As of 12/24/08 the total hours of PTO, remaining is 98.75 Including the pay period of 01/07/09 and 01/21/09 the total PTO would be approximately 114.27 hours gross. The net hours minus 16 hours for holiday pay for the dates of 12/25/08 and 01/01/09 the total net hours is approximately 98.28 hours for a total of \$1500.58 gross pay, \$1,022.27 net pay. See Exhibit 2 and attachment of explanation.

This estimate may change based on future checks showing Circuit City's calculations.

MOTION OF THE CLAIMANT, PURSUANT TO 11 U.S.C. § 507 (A)

In the filing of December 5, 2008, See Exhibit 3. Page 10-11 section 17: The Debtor agreed that they should continue to pay to the WARN employees the wages, salaries and benefits during the 60 day WARN Period.

Page 34 Section H sub section 64: The Debtor maintains that such payments are essential to stabilize their workforce and improve overall Employee morale in this critical period in the Debtors' restructuring efforts. This amount is approximately \$8 to \$10 million, which amount has been included in their DIP Budget. See Exhibit 3

Page 34-35 Section H sub section 1 **PAID TIME OFF** numbers 65-66: Clearly outlines what Paid Time Off is for the employees along with the eligibility of gaining the Paid Time Off etc.

Page 35 Section H numbers 67: Clearly, states prior to the Petition Date, any unused, accrued Paid Time Off was paid to Employees upon Termination.

Page 35 Section H number 68: Clearly states that Circuit City has approximately 713,000 hours of Paid Time Off outstanding, with approximate value of \$9.2 million.

In that Motion, The Debtors seek entry of an order authorizing but not directing them to allow Hourly Employees to use accrued and unused Paid Time Off and to continue to accrue Paid Time Off in the ordinary course of business. As stated in Section H, sub section 64: Circuit City had budget said payment in their DIP Budget.

Circuit City received a motion of approval from the United States Bankruptcy Court to continue to pay the employees wages along with benefit pay for the remaining 60 days. See page 2 of the Judge's ruling Exhibit 4.

On December 19, 2008, Circuit City sent a letter to effective employees detailing their decision of not paying this amount. With this letter, a claim form is to be enclosing to file a claim with the United States Bankruptcy. As of December 24, 2008, plaintiff did not receive this information.

Pursuant to 11 U.S.C. Section 507 Priorities, the following expenses and claims have priority in the following order: Section 507 (3)(A) states, Wages, Salaries or Commission, including vacation, severance and sick leave pay earned by an individual;

I therefore ask the court to direct the Debtor to pay the laid off Employees all of their unused accrued Paid Time Off as a Prepetition agreement with the employee and employer. Prior to the Filing of Chapter 11 on 11/10/08. In accordance with the Worker Adjustment and Retraining Notification Act (2-: U.S.C. Sections 2101 et seq.)in addition, the Motion set forth on December 5, 2008.

Fourth Circuit, in two recent cases bankruptcy courts have concluded that notwithstanding the provisions of the WARN Act, in the event employees are terminated prior to the commencement of a bankruptcy case, claims based on the WARN Act are not entitled to administrative expense priority under section 503(b)(1). See In re First Magnus Financial Corporation, 390 B.R. 667, 677 (Bankr. D. Ariz. 2008) (holding that WARN Act claims of 8 employees terminated prior to debtors' filing liquidating chapter 11 petitions were not entitled to administrative expense priority under Bankruptcy Code section 503(b)(1)); Henderson v. Powermate Holding Corp., Case No. 08-50559 (KG) (Bankr. D. Del. Oct. 15, 2008) (holding that WARN Act claims of 260 employees terminated prior to debtors' filing chapter 11 petitions were not entitled to administrative expense priority under Bankruptcy Code section 503(b)(1)).

Notwithstanding the above precedent, the Debtors request authority to pay the WARN Employees the wages, salaries and benefits that they would be entitled to earn over the balance of the 60 day WARN Period, even though it is extremely unlikely that such employees will

be recalled by the Debtors as a result of the commencement of these Chapter 11 Cases and thus will provide no further services to the Debtors. In that regard, the Debtors believe that, under the circumstances and given the Debtors' intent to attempt to successfully reorganize or sell their business as a going concern such authorization is critical. In particular, the Debtors maintain that such payments are essential to stabilize their workforce and improve overall Employee morale in this critical period in the Debtors' restructuring efforts. The Debtors estimate that the aggregate cost associated with continuing the payment of wages, salaries and benefits to the WARN Employees is approximately \$8 to \$10 million, which amount has been included in their DIP budget.

B. Bonuses.

18. In addition to regular compensation, the
Debtors currently offer a number of incentive bonuses to
Employees through various bonus plans. In particular,
there are approximately 12 separate plans (collectively,
the "Field Bonus Plans") which provide bonuses to
Employees in the Debtors' retail stores. The Field

State Workers' Compensation Programs could result in administrative or legal proceedings against the Debtors and their officers and directors.

entry of an order authorizing, but not directing, the Debtors to continue paying and/or contesting in good faith, as appropriate in the Debtors' business judgment, all amounts related to the Workers' Compensation Insurance and the State Workers' Compensation Programs in the ordinary course of business, including amounts that arose prior to the Petition Date.

of compensation, including paid time off, overtime pay and certain other benefits. These forms of compensation are usual, customary and necessary if the Debtors are to retain qualified employees to operate their businesses.

(a) Para Terrette off.

All full-time and part-time Salaried and
Hourly Employees are eligible to accrue or receive paid
time off (the "Paid Time Off"). This Paid Time Off may

be used by Employees for vacation, holidays, sick days, or personal days.²¹

Hourly Employees with ninety (90) days or more of service with the Debtors accrue Paid Time Off for each hour worked. The rate of accrual varies based on the length of service.

wet. These accrued hours of Paid Time Off may be used for any purpose, including sick time, vacation, holidays or personal business. Hourly Employees may carry any remaining accrued Paid Time Off over into the next fiscal year. Prior to the Petition Date, any unused, accrued Paid Time Off was paid to Employees upon termination of employment.

approximately 713,000 hours of Paid Time Off outstanding, with an approximate value of \$9.2 million. 22 By this Motion, the Debtors seek entry of an order authorizing, but not directing, them to allow Hourly Employees to use

²² Puerto Rico Employees have accrued approximately \$50,000 in sick and vacation hours.

accrued and unused Paid Time Off and to continue to accrue Paid Time Off in the ordinary course of business.

However, at this time, the Debtors are not seeking authorization to continue to pay an Employee for accrued, unused Paid Time Off upon termination.

- Employees will utilize the accrued Paid Time Off in the ordinary course of business without resulting in any material cash flow requirements beyond the Debtors' normal payroll obligations. Use of Employee Paid Time Off remains subject to ordinary course restrictions.
- 70. Salaried Employees' Paid Time Off Policy.

 Paid Time Off does not accrue for Salaried Employees and there is no specified allowance of Paid Time Off available to Salaried Employees. Salaried Employees must request permission to take Paid Time Off from their supervisors and may take Paid Time Off to the extent that such permission is granted. The appropriate amount of Paid Time Off for each Salaried Employee depends on certain job-related factors and, in each case, will be dependent on a supervisor's determination that the Paid Time Off request does not conflict with immediate
